## YEAR 10 INTERNATIONAL

In 2019 Canning College is pleased to offer a complete Year 10 curriculum program for International students.

### YEAR 10 CURRICULUM

The introduction of the Year 10 curriculum in 2019 is designed to provide students with a pathway into senior school and beyond senior school to university.

The program will provide depth and breadth across the curriculum with a heavy emphasis on Literacy and Numeracy throughout. The Year 10 program is designed to integrate the four major subject areas of Science, Technology, Engineering and Mathematics (STEM) and promote creative, independent and critical thinking.

English (EALD) - 2 units

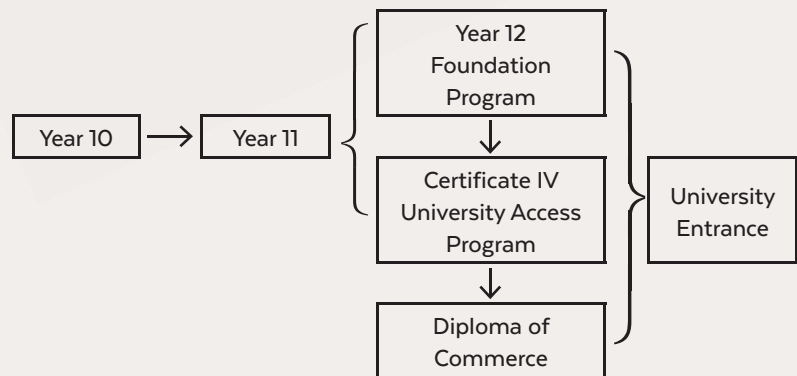

Mathematics - 2 units

Science - 2 units

Information Technology - 1 unit

Business Studies - 1 unit

Electives

### ENTRY POINTS

The Year 10 Curriculum is designed to provide international students with multiple entry points - intakes will occur in February, April and July of each year.

The Curriculum will be delivered in term length modules for each subject area. Each module will be independent from each other which will allow multiple entry points.

Term 1	Term 2	Term 3	Term 4
Feb Entry	April Entry	July Entry	
Module 1	Module 2	Module 3	Module 4
