

Canning and Tuart College have developed this course for:

- prospective University students who will be 20 years of age or over before 1 March 2018, or
- prospective State Training Provider students of any age and who wish to sit the SPECIAL TERTIARY ADMISSIONS TEST.

The course covers the following important areas:

- techniques for taking tests and writing essays,
- familiarisation with the STAT Test,
- tertiary entrance requirements and selection of courses from the wide range available.

The course does not try to "coach" candidates, but only help familiarise them with test procedures.

Saturday one day workshops are available, or evening courses, consisting of one session per week over three weeks.

Course Fee: \$99.00

This includes the STAT Practice Test 1 Booklet

You do not need to buy any books. Just bring along a note pad and pen.

This course is now in its 28th year and is soundly based on experience and feedback from over 20,000 participants. The small personalised classes provide the ideal atmosphere to get prepared and build your confidence.

ENROL NOW! People who attend early in the year have the opportunity to enrol in other courses at Canning or Tuart College to further improve their performance in the test and prepare for a return to study.

MAKE SURE YOU WILL BE ABLE TO COMPLETE YOUR COURSE WHEN BOOKING YOUR STAT TEST DATE.

If in doubt telephone TISC on 9318 8000

Reminder: The STAT Practice Test 1 Booklet is supplied as part of the course
