1. POLICY STATEMENT

This policy outlines the internal and external complaints and appeals processes available to onshore international students. These processes are conducted in compliance with:

- *Standards for Registered Training Organisations 2015* (SRTOs), specifically: Clauses 6.1 – 6.5 complaints handling:
 - The registered training organisation (RTO) has a complaints policy to manage and respond to allegations involving the conduct of:
 - the RTO, its trainers, assessors or other staff;
 - a third party providing services on the RTO's behalf, its trainers, assessors or other staff; or
 - a learner of the RTO
 - The RTO has an appeals policy to manage requests for a review of decisions, including assessment decisions, made by the RTO or a third party providing services on the RTO's behalf.
 - The RTO's complaints policy and appeals policy:
 - ensure the principles of natural justice and procedural fairness are adopted at every stage of the complaints and appeals process;
 - are publicly available;
 - set out the procedure for making a complaint or requesting an appeal;
 - ensure complaints and requests for an appeal are acknowledged in writing and finalised as soon as practicable; and
 - provide for review by an appropriate party independent of the RTO and the complainant or appellant, at the request of the individual making the complaint or appeal.
 - The RTO:
 - securely maintains records of all complaints and appeals and their outcome; and
 - identifies potential causes of complaints and appeals and takes appropriate action to eliminate or mitigate the likelihood or reoccurrence.
- Standard 10 of the *National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018* (national Code 2018):
 - The registered provider must have and implement a documented internal complaints handling and appeals process and policy, and provide the overseas student with comprehensive, free and easily accessible information about that process and policy.

2. SCOPE

This policy details the internal and external complaints and appeals mechanisms available to onshore international students enrolled at Canning College.

3. PRINCIPLES

3.1 Access

Canning College will respond to any complaint or appeal the overseas student makes regarding his or her dealings with Canning College, and its education agents.

3.2 Transparency

Canning College provides overseas students with comprehensive, free and easily accessible information about the complaints and appeals process and policy via the:

- Canning College website.
- Student Offer Letter Package.
- International Course Guide.
- Orientation sessions.

3.3 Fairness

Canning College process follows the principles of natural justice and procedural fairness by allowing anyone subject to a decision by Canning College, or anyone who has allegations made against them, to tell their side of the story before a decision is made.

The student will be given the opportunity to formally present his or her case and be accompanied and assisted by a support person at any relevant meetings.

Where possible, all complaints and appeals processes will commence within 10 working days of the complaint been lodged and will be finalised the outcome as soon as practicable.

Where more than 10 working days are required to process and finalise the complaint or appeal, Canning College will:

- inform the complainant in writing, why more than 10 days are required; and
- regularly update the complainant on the progress of the matter.

3.4 Confidentiality and Privacy

Details of a complaint or appeal will be limited only to those involved in the resolution of the complaint, or the hearing of an appeal. Information is handled according to privacy laws and other relevant legislation, and will be reported without identifying parties to the complaint and/or appeal.

Canning College will securely maintain records of all complaints and appeals and their outcomes in compliance with privacy legislation and Canning College's Records Management Policy.

3.5 Continuous improvement:

Canning College will:

- monitor the outcome of any student complaints and appeals to ensure the completion of any resulting actions;
- identify potential causes of complaints and appeals and take appropriate corrective action to eliminate or mitigate the likelihood of reoccurrence; and
- monitor the activity surrounding matters of complaints and appeals to ensure that the student is not disadvantaged as a result of lodging a complaint or appeal.

4. BACKGROUND

In compliance with legislative requirements, Canning College will respond to any complaint or appeal the overseas student makes regarding his or her dealings with Canning College and its education agents, as well as other related parties.

6. PROCEDURES

- 6.1.1 An international student who has an issue related to their course of study should, in the first instance, try to resolve the problem by speaking with a staff member in Student Services at the College.
- 6.1.2 If the issue cannot be resolved informally, students should be referred to the relevant Canning College complaints management process.
- 6.1.3 If the student is not satisfied with the outcome of the college complaints process, they may lodge a request for review by completing the Canning College Complaints Review Form. Once completed, the student must lodge the form through the formal complaints system at the college.
- 6.1.4 A college representative will forward the complaint to the Principal for review within two working days of lodgement and include the following:
- all supporting documentation and correspondence with the student in relation to the initial complaint; and
 - the outcome of the complaints process that has been communicated to the student.
- 6.1.5 Canning College will convene a review panel. Where necessary, the student may be required to provide additional information and in all cases be given an opportunity to meet with the panel as appropriate. If the student is invited to address the review panel, they will be informed of their right to be accompanied by a support person.
- 6.1.6 The college will keep a written record of the complaint including statement of the outcome and reasons for the outcome. Records will be stored in accordance with privacy legislation and Canning College Record Management Policy.

7. APPEALS MANAGEMENT

A student can appeal decisions made by Canning College to:

7.2 External appeals process

If all internal review options have been exhausted and the problem still cannot be resolved, students will be advised that they may lodge an external appeal with the Ombudsman WA www.ombudsman.wa.gov.au if they feel the public education provider has:

- failed to follow a policy or process;
- not followed the standards in the National Code; or
- done something which is unfair.

If the matter proceeds to an external mediator or complaints body the student is responsible for determining if he or she will incur. International students incur no charge for the Australian Government's Overseas Students Ombudsman Service.

7.4 Successful Appeals

7.4.1 If the appeal is upheld, the student's enrolment will remain current.

7.4.2 If the appeal is upheld due to compassionate or compelling circumstances, the student's enrolment will remain current but the student may be placed on an Intervention Strategy for additional support and monitoring over a period.

7.4.3 If an external appeals process has been completed, Canning College will immediately implement the decision or recommendations (where applicable); and/or take the preventative or corrective action required by the outcomes of the external complaints handling or appeals process, and notify the student of the outcome.

7.5 Unsuccessful Appeals

7.5.1 If the appeal is unsuccessful, Canning College will notify the student in writing and will issue the student with a Non-Compliance Notice, giving them 10 working days to make an external appeal to the Ombudsman Western Australia.

7.5.2 In accordance with Standard 10 of the *National Code 2018*, if the internal appeals process finds in Canning College's favour and the student pursues an external appeal, Canning College will not prolong the overseas student's enrolment, if the student's enrolment was due to lapse naturally.
